Solution

1. The **green card** serves as a formal caution for minor offenses. It warns the player officially but **does not result in immediate suspension** or require leaving the field.
2. A **green card** gives a player a warning but allows them to continue playing without any suspension.
3. A **yellow card** results in a player being temporarily suspended for **5 minutes**, during which their team must play with **one less player**.
4. Back Stick is a rule violation in hockey.
 1. It occurs when a player hits or attempts to hit the ball with the **rounded back side** of the hockey stick, which is not allowed.
 2. It also includes situations where a player **intentionally or accidentally strikes an opponent's stick**, causing interference.
5. **Circumference and Shape of the Ball:**
 1. **Circumference:** 8 to 9 inches
 2. **Shape:** Spherical
6. **Cards Used in Hockey:**
 1. **Green Card:** Given as a warning for minor offenses.
 2. **Yellow Card:** Given for a temporary suspension of the player.
7. (i) **Green Card:** Issued by the referee as a warning for dangerous play.
(ii) **Goal Scoring Position:** A goal must be scored from the semi-circular area in front of the goal post.
(iii) **Push in Hockey:** A technique where the stick remains in contact with the ball and the ground while pushing the ball forward.
(iv) **Length of Longer Perimeter Line:** 91.40 meters.

8. (i) Height of Flag Posts: 1.20 to 1.50 meters

(ii) Match Duration:

- (a) Men: 60 minutes
- (b) Women: 45 minutes

(iii) Goal Post Dimensions:

- (a) Width: 3.66 meters
- (b) Height: 2.14 meters
- (c) Height of Goal Backboard: 460 mm

(iv) Ball and Stick Weight:

- (a) Ball: 156 to 163 grams
- (b) Stick: 737 grams / 280 inches

9. (i) Rebound: A situation where the ball bounces off the boards or the goalkeeper's equipment.

(ii) Back Stick: A shot taken from the back side of the stick blade, which is a violation if used to strike the ball.

(iii) Playing Distance: The distance within which a player can reach the ball to play it effectively.

(iv) Push: A short and accurate pass executed while keeping the stick in contact with the ball and the ground, usually when time is limited.

10. (i) Four fouls for which a penalty corner is awarded:

1. Intentional foul by a defender inside the circle when the opponent has ball possession.
2. Defenders crossing the back line without the referee's permission.
3. Intentional foul by a defender inside the circle to prevent a goal.
4. Intentional foul by a defender outside the circle using stick interference.

(ii) Full forms:

- **FIH:** Fédération Internationale de Hockey
- **IHF:** Indian Hockey Federation

11. (i) Flag Post: A pole on which a flag is hoisted in hockey, placed at all four corners of the field.

- **Height:** 1.20 m to 1.50 m
- **Flag Size:** 300 mm

(ii) Reverse Hit: A technique where the player hits the ball to the right side using the reverse side of the stick without changing body position.

(iii) Bully: A method to restart play where the referee places the ball between two opposing players, and they tap the flat sides of their sticks three times before playing the ball.

(iv) Corner Push: A technique used during penalty corners where the ball is pushed into play to initiate an attack.

12. (i) Teaching game tactics, formations, and strategic gameplay to help players understand their roles and improve team coordination.

(ii) Organizing intensive training sessions to enhance technical skills, physical fitness, and overall performance levels.

(iii) Instilling discipline, teamwork, and sportsmanship to build a strong team culture and ensure positive behaviour on and off the field.

13. (i) Improving batting, bowling, and fielding skills to develop a technically strong and balanced team.

(ii) Planning match strategies, such as deciding batting orders, bowling changes, and field placements for different situations.

(iii) Promoting teamwork, coordination, and mental resilience to ensure players perform confidently and cohesively during matches.

14. (i) Improving players' technical skills such as serve accuracy, shot placement, volleys, and overall stroke consistency.

(ii) Developing customized fitness programs to enhance players' speed, endurance, agility, and flexibility for better court coverage.

(iii) Teaching tactical and strategic gameplay, including how to adapt to different court surfaces, read opponents, and plan match strategies effectively.

15. (i) Dimensions of the play field:

- 100 yards × 60 yards

(ii) Match duration:

- **Men:** Two halves of 35 minutes each (with a 5–10 minute interval)
- **Women:** Two halves of 35 minutes each (with a 5–10 minute interval)

(iii) Weight of the ball and distance of penalty mark:

- **Ball weight:** 156–163 grams
- **Penalty mark distance:** 6.40 meters

(iv) Goal post dimensions and shooting circle distance:

- **Goal post:** 7 feet × 12 feet
- **Shooting circle distance:** 16 yards

16. (i) Scoop: A technique in field hockey used to lift the ball off the ground with a curved motion of the stick. It is often employed to pass the ball over an opponent's stick or make aerial passes.

(ii) Hit: Striking the ball with a swinging motion of the stick. Hits are used for passing, shooting at the goal, or clearing the ball, and can include drive, slap shot, or push pass techniques.

(iii) Tackle: A defensive move to gain possession of the ball from an opponent. Techniques include jab tackle, block tackle, and reverse stick tackle, all executed without making physical contact with the opponent.

(iv) Dangerous Play: Any action in hockey that could potentially cause injury to players, such as raising the ball dangerously near opponents or playing recklessly with the stick.

17. (i) Temporary Suspension: A player is removed from the game for at least 5 minutes due to unsporting behavior.

(ii) Circumstances for Suspension:

- Serious foul play such as dangerous tackles, high sticks, or intentional injury.

- Dissent or misconduct like arguing, using abusive language, or disrespecting officials.
- Repeated rule violations despite prior warnings.
- Time-wasting or unfair delaying tactics.

(iii) Three Fouls Committed by a Goalkeeper:

- Obstruction
- Advancing
- Hockey stick interference

(iv) Three Methods of Restarting a Hockey Match:

- When the ball crosses the sideline, play restarts from the point it crossed.
- When the ball crosses the back line last touched by an attacker, play restarts within 15 meters of the back line.
- When the ball crosses the back line after being unintentionally touched by a defender or goalkeeper, play restarts within 5 meters.

18. (i) Hockey Ball Properties:

- Shape: Spherical
- Circumference: 224 mm to 235 mm
- Weight: 156 g to 163 g

(ii) Equipment Carried by the Umpire:

- Whistle
- Watch
- Game cards (green, yellow, red)
- Pen
- Score pad

- Coin
- Bag

(iii) Duration of the Game and Interval:

- Total Match Duration: 60 minutes
- Interval: 5 minutes

19. (i) Corner Push: A technique used during penalty corners in field hockey where the ball is pushed into play by the attacking team to create a scoring opportunity.

(ii) Three Situations When a Penalty Stroke is Awarded:

- (a) Intentional foul by a defender inside the circle to prevent a goal.
- (b) Foul by a defender within 23 meters but outside the shooting circle that affects a scoring opportunity.
- (c) Intentional play of the ball over the back line by a defender.

(iii) Basic Compulsory Equipment for a Hockey Player:

- (a) Hockey stick
- (b) Shin guards
- (c) Mouth guard
- (d) Protective gloves
- (e) Hockey shoes
- (f) Helmet (mandatory for goalkeepers)

20. Procedure to Resume the Game When the Ball is Played Over the Back Line Unintentionally by a Defender:

- 1. Awarding the Long Corner:** The umpire signals a long corner for the attacking team when the defender unintentionally plays the ball over the back line.
- 2. Placement of the Ball:** The ball is placed on the 23-meter line, in line with the point where it crossed the back line.
- 3. Restart by the Attacking Team:** The attacking team takes a free hit from this position.

4. Rules for Taking the Free Hit:

- The ball must be stationary before the hit is taken.
- Opponents must remain at least 5 meters away.
- The ball cannot be played directly into the shooting circle; it must travel at least 5 meters or be touched by another player first.
